Atul,

The attached LNAPL Skimmer Work Plan has been reviewed and is found to be acceptable by the U.S. EPA. Please coordinate with Tom Binz as the construction schedule is developed.

Kevin:

As per our recent discussions, attached is our scope of work to install a skimmer well in Area A. We look forward to your approval so we can order the equipment this week or next week and proceed with the installation the week of April 26.

Please call me if you have any questions.
